

CONTRIBUTOR AGREEMENT

We thank you for contributing to Parsec Cloud, an open source project maintained by SCILLE ("We" or "Us").

This Agreement governs the rights transferred to Us by You with respect to your Contribution as from the Effective Date.

1. DEFINITIONS

"Agreement" means this contributor agreement.

"You" means either:

- (a) any individual submitting a Contribution to Us;
- (b) any Legal Entity on behalf of whom a Contribution has been submitted to Us.

"Contribution" means any work of authorship that is Submitted by You to Us in which You own or assert full ownership of the Copyright, including any associated comments and documentation.

"Copyright" means all rights protecting works of authorship owned or controlled by You, including copyright, moral and neighboring rights, as appropriate, for the full term of their existence including any extensions.

"Employer" means your employer or anyone else for whom You are acting in submitting your Contribution.

"Legal Entity" means an entity which is not a natural person.

"Affiliates" means other Legal Entities that control, are controlled by, or under common control with that Legal Entity.

"Control" means (i) the power, direct or indirect, to cause the direction or management of such Legal Entity, whether by contract or otherwise, (ii) ownership of fifty percent (50%) or more of the outstanding shares or securities which vote to elect the management or other persons who direct such Legal Entity or (iii) beneficial ownership of such entity.

"Effective Date" means the date You execute this Agreement or the date You first Submit a Contribution to Us, whichever is earlier.

"Material" means the work of authorship which is made available by Us to third parties. After You Submit the Contribution, it may be included in the Material.

"Media" means any portion of a Contribution which is not software.

"Submit" means any form of electronic, verbal, or written communication sent to Us or our representatives, including but not limited to electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Us for the purpose of discussing and improving the Material, but excluding

communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

"Submission Date" means the date on which You Submit a Contribution to Us.

2. COPYRIGHT ASSIGNMENT AND LICENSE

(a) At the time the Contribution is Submitted, You assign to Us all right, title, and interest worldwide in all Copyright covering the Contribution.

(b) To the extent that any of the rights in Section 2 (a) cannot be assigned by You to Us, You grant to Us a perpetual, worldwide, exclusive, royalty free, transferable, irrevocable license over such non-assigned rights, with rights to sublicense through multiple tiers of sublicensees, to practice such non-assigned rights, including, but not limited to, the right to reproduce, modify, display, perform, and distribute.

(c) To the extent that any of the rights in Article 2 (a) can neither be assigned nor licensed by You to Us, You irrevocably waive and agree never to assert such rights against Us, any of our successors in interest, or any of our licensees, either direct or indirect.

(d) Upon such transfer of rights to Us, to the maximum extent possible, We immediately grant to You a perpetual, worldwide, non-exclusive, royalty free, transferable, irrevocable license under such rights covering the Contribution, with rights to sublicense through multiple tiers of sublicensees, to reproduce, modify, display, perform, and distribute the Contribution. The intention of the parties is that this license will be as broad as possible and to provide You with rights as similar as possible to the owner of the rights that You transferred. This license back is strictly limited to the Contribution and does not provide any rights to the Material.

3. PATENT LICENSE

For patent claims including, without limitation, method, process, and apparatus claims which You own, control or have the right to grant, now or in the future, You grant to Us a perpetual, worldwide, non-exclusive, transferable, royalty free, irrevocable patent license covering your Contribution, with the right to sublicense these rights to multiple tiers of sublicensees, to make, have made, use, sell, offer for sale, import and otherwise transfer the Contribution and the Contribution in combination with the Material (and portions of such combination). We will not claim patent rights in the Contributions.

4. OUTBOUND LICENSE

Based on the grant of rights in Sections 2 and 3, if We include Your Contribution in a Material, We may license the Contribution under any license, including copyleft, permissive, commercial, or proprietary licenses.

5. OTHER RIGHTS RESERVED

We and You reserve all rights not expressly granted in this Agreement. No additional licenses or rights whatsoever (including, without limitation, any implied licenses) are granted by implication, exhaustion, estoppel or otherwise.

6. OUR RIGHTS

You acknowledge that We are not obligated to use Your Contribution as part of the Material and may decide to include any Contribution We consider appropriate.

7. AGREEMENT

You confirm that:

- (a) You have the legal authority to enter into this Agreement;
- (b) You or Your Affiliates own the Copyright and patent claims covering the Contribution which are required to grant the rights under Sections 2, 3 and 4, or have exclusive license rights which allow you to grant Us such rights;
- (c) The grant of rights under Sections 2, 3 and 4 does not violate any grant of rights which You or Your Affiliates have made to third parties;
- (d) If You do not own the Copyright in the entire work of authorship, or covering a patent, You may not Contribute.

You guarantee Us that the intellectual property rights relating to your Contribution do not belong, wholly or partly, to your Employer nor to any other Legal Entity or individual.

8. DISCLAIMER

EXCEPT FOR THE EXPRESS WARRANTIES IN ARTICLE 7, THE CONTRIBUTION IS PROVIDED "AS IS". MORE PARTICULARLY, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED BY YOU TO US. TO THE EXTENT THAT ANY OF SUCH WARRANTIES CANNOT BE DISCLAIMED, SUCH WARRANTY IS LIMITED IN DURATION TO THE MINIMUM PERIOD PERMITTED BY LAW.

9. CONSEQUENTIAL DAMAGE WAIVER

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL YOU AND US BE LIABLE FOR ANY LOSS OF

PROFITS, LOSS OF ANTICIPATED SAVINGS, LOSS OF DATA, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL AND EXEMPLARY DAMAGES ARISING OUT OF THIS AGREEMENT REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT OR OTHERWISE) UPON WHICH THE CLAIM IS BASED.

10. MISCELLANEOUS

This Agreement is governed by and construed in accordance with the laws of France.

Any dispute regarding the execution, interpretation, performance and consequences of the termination of this Agreement shall be submitted to the exclusive jurisdiction of the Paris Commercial Court.

If You or We assign the rights or obligations received through this Agreement to a third party, as a condition of the assignment, that third party must agree in writing to abide by all the rights and obligations in the Agreement.

If any provision of this Agreement is found void and unenforceable, such provision will be replaced to the extent possible with a provision that comes closest to the meaning of the original provision and which is enforceable. The terms and conditions set forth in this Agreement shall apply notwithstanding any failure of essential purpose of this Agreement or any limited remedy to the maximum extent possible under law.
